

Teladoc®

Because illnesses don't check
urgent care wait times

Add the convenience of Teladoc's services to help your employees save time and money

Increase the value of your employee benefits with **Teladoc: An affordable health care option that gives you and your employees 24/7 access to U.S. board-certified doctors.**

Teladoc brings health care into the 21st century by introducing it to the wireless revolution. As part of our Self-Funded Program, **you can add Teladoc to your plan to help your employees:**

- Avoid the hassle and long wait times at the doctor's office.
- Receive treatment anytime, anywhere, for many common, non-emergency conditions.
- Save money on health care by giving them a more convenient and low-cost option.

Teladoc may help you lower your overall claims costs and save money for your members and your business.

Teladoc doctors can treat and diagnose many common medical conditions, including:

- **Cold and flu symptoms**
- **Allergies**
- **Ear infections**
- **Pink Eye**
- **Respiratory infections**
- **Sinus problems**
- **Skin problems, and more**

Not available in Washington. The employer has the option to add Teladoc to the plan for an additional fee. The National General Benefits Solutions (NGBS) Self-Funded Program provides tools for employers owning small to mid-sized businesses to establish a self-funded health benefit plan for their employees. The benefit plan is established by the employer and is not an insurance product. For employers in the NGBS Self-Funded Program, stop-loss insurance is underwritten by: Integon National Insurance Company in CO, CT, NY and VT; Integon Indemnity Corporation in FL; and National Health Insurance Company in all other states where offered.
